

**Willie the Whiner**

By Mavis Smith

This book is about the most whiney boy you would ever want (or, not want) to meet. He whines and whines until his family and friends tire of him. Finally, one day, he refuses to come in even when a storm is brewing. His family leaves him to suffer the consequences- while they gather inside and eat his favorite flavor of ice cream. This book is well written and is fun to read.
